

CERTIFICATE FOR LASER SAFETY
REPRESENTATIVE

elexxion

the laser company

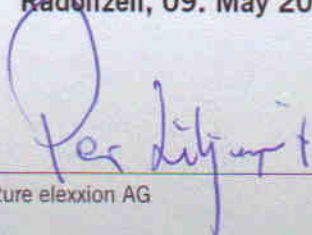

We confirm

Dr. Masoud Memari

the successful participation of an elexxion laser training seminar.
With this certification the participant becomes "Laser Safety Representative"
according to IEC 60825-1.

The participant is hereby authorized to give instruction to other specialist medical personnel on the elexxion laser systems. However, those persons that have been trained are not authorized to train others.
